Peace Through Action USA invites people who wish to advance our mission to achieve peace between people and within communities in the United States by promoting caring action to consider service on our board of directors.

We are presently recruiting for an individual to serve in the volunteer officer role of treasurer. The position has an initial two-year term.

Candidates for the treasurer position should have subject expertise and/or experience in accounting, bookkeeping, and/or financial management. We welcome applicants with credentials in public accounting (CPA) or project management (PMP), although those credentials are not required.

Boards of directors of nonprofit organizations such as ours perform vital functions in the areas of planning, resourcing, promotion, and oversight. They provide their organizations' customers, beneficiaries, donors, collaborators, and regulators a system of accountability and trust assurance. They also provide opportunities for the board members themselves to practice their leadership skills and demonstrate civic engagement.
