## PRAYER FOR PEACE THROUGH ACTION

O, Great Mystery, which we know by many names,

Guide me—and all people—to states of tranquility that make

it possible for us to be always

well, happy, and at peace.

Equip me—and all people—with values, knowledge, skills,

and discipline to continuously

choose peace.

Activate me—and all people—through the practices of care,

compassion, and love to constantly

create peace.

Bless [*insert name of a servant leader, volunteer, or group if*

*you so desire* and] all those who, through their

volunteering, service, ministry, and work,

build peace.

Om Shanti Shanti Shanti. Amen. Sadhu. Ameen.
